1QTs. - 15/tray 4" - 18/tray 2QTs. - 8/tray 2.5" - 32/tray or 16/half tray

STATUS	ITEM NAME	SIZE	PRICE	COMMENTS	QTY	Growing Conditions
Full plants	<b>Acorus americanus (AMERICAN SWEETFLAG)</b>	3 QT	\$16.00	Bright green, sword-like leaves with citrus aroma. Spadix type flowers, Jun-Jul. 3' tall. Deer resistant. NE U.S. native.		2
Full plants	<a href="#">Acorus calamus 'Variegatus' (STRIPED SWEETFLAG)</a>	3 QT	\$19.00	White striped, sword-like leaves with citrus-like aroma. 30-36" tall. Deer resistant. NE U.S. native species.		2
Short & full	<a href="#">Adlumia fungosa (ALLEGHENY VINE)</a>	3 QT	\$24.00	Climbing vine. White to pale pink flowers Jun-Jul+. Up to 10' long. Scrambles over other plants, rocks, or fences. Biennial, self sows. NE U.S. native.		2
Full plants Limited POLLINATOR	<b>Allium cernuum (NODDING ONION)</b>	1 QT	\$9.00	Pink "noddling" flowers, July. 12-16" tall. Forms thick stands of persistent foliage -- an excellent ornamental. Deer resistant. NE U.S. native.		1
Full plants	<a href="#">Ammophila breviligulata (BEACH GRASS)</a>	1 QT	\$6.00	Blue green leaf blades. 18-30" tall. Extremely drought tolerant. Salt tolerant. Deer resistant. Eastern US native. Ours are Long Island provenance.		1
Emerging now NEW POLLINATOR	<b>Anemone cylindrica (CANDLE ANEMONE) ***</b>	3 QT	\$14.00	Greenish-white flowers Jun-Jul, followed by elongated cylindrical cones. 1-2' tall. Mature cones release seed on cottony tufts!		2
Leafing out POLLINATOR	<a href="#">Aquilegia canadensis (WILD COLUMBINE)</a>	3 QT	\$13.50	Red-yellow bicolor flowers, May-Jun. 12-24" tall. Handsome foliage. An old fashioned favorite! NE U.S. native.		3
Full plants POLLINATOR	<b>Aronia melanocarpa (BLACK CHOKEBERRY)</b>	6 QT	\$28.00	White flowers in May. Beautiful burgundy fall foliage. 6' tall. Black fruit attracts songbirds. Also for jams & juices. Deer resistant. NE US native.		1
Emerging now POLLINATOR	<a href="#">Aster cordifolius 'Avondale' (BLUE WOOD ASTER)</a>	3 QT	\$14.50	Clouds of light blue flowers, Sep-Oct. Heart-shaped leaves. 2-3' tall. Drought tolerant. Deer resistant. NE US native.		1
Full plants POLLINATOR	<a href="#">Aster cordifolius (BLUE WOOD ASTER)</a>	1 QT	\$9.00	Clouds of white-blue flowers, Sep-Oct. Heart-shaped leaves. 2-3' tall. Drought tolerant. Deer resistant. NE US native.		1
Full plants POLLINATOR	<b>Aster laevis 'Bluebird' (SMOOTH ASTER) ***</b>	4 QT	\$14.50	Violet flowers, Sep-Oct. 3-4' tall. Blue-green foliage looks good all season. Strong stems do not need staking. NE US native.		1
Full plants POLLINATOR	<a href="#">Aster laevis (SMOOTH ASTER)</a>	4 QT	\$14.00	Blue to violet flowers, Sep-Oct. Blue-green foliage looks good all season. 3-4' tall. Drought tolerant. NE US native. LI provenance.	1 or 2	
Emerging now Limited POLLINATOR	<a href="#">Aster linariifolius (STIFF LEAFED ASTER)</a>	3 QT	\$14.00	Pale blue flowers, Aug-Sep. Stiff, needle-like, glossy foliage. 1-2' tall. Forms a tidy mound. Poor soil tolerant. NE US native. LI provenance.		1
Emerging now POLLINATOR	<a href="#">Aster umbellatus (FLAT-TOPPED ASTER)</a>	4" POT	\$6.50	White flowers with yellow eyes in generous umbels, Aug-Sep. 3-4' tall. Moist soil tolerant. NE US native.		1
Leafing out	<a href="#">Baccharis halimifolia (GROUNDSEL)</a>	6 QT	\$27.00	Multi-stemmed shrub with grey-green leaves. 6-12' tall. Showy fruit resembles cotton, fall-winter. Drought & wet tolerant. NE US native. LI provenance.		1
Leafing out POLLINATOR	<b>Baptisia 'Pixie Periwinkle' (WILD INDIGO)</b>	3 QT	\$19.00	Light lavender-blue flower spikes, May-Jun. Compact, bushy habit. 24-28" tall. Drought tolerant. Deer resistant. NE US Native.		1

Leafing out POLLINATOR	<a href="#">Baptisia tinctoria (WILD INDIGO)</a>	3 QT	\$19.00	Yellow flowers, Jun-Jul. 2' tall. Attractive foliage, bushy habit. Drought tolerant. Deer resistant. NE US native. LI provenance.			1
Leafing out	<a href="#">Betula populifolia (GREY BIRCH)</a>	6 QT	\$28.00	Narrow column habit, 10-20' tall. Chalky-white bark with iconic dark markings. Pointed, toothy leaves. Fast growing. NE US Native. LI provenance.			1
Full plants POLLINATOR	<a href="#">Boltonia asteroides (FALSE ASTER)</a>	1 QT	\$8.00	Profuse white daisies with yellow eyes, Sep-Oct. 3-4' tall. Tolerant of a wide range of soil & moisture conditions. NE US native.			2
Full plants	<a href="#">Carex bicknellii</a>	4" POT	\$6.50	Clump-forming, 1-3' tall. Tolerant of both moist and drought conditions. A great choice for rain gardens. Deer resistant. NE US native.			2
Full plants Seed heads POLLINATOR	<a href="#">Carex bromoides (BROME-LIKE SEDGE)</a>	3 QT	\$14.00	Forms beautiful clumps of narrow, bright green leaves. 10 - 12" tall foliage. Deer resistant. Excellent choice for its ability to green up early in the spring. Useful in mixed plantings and in masses. NE U.S. native. Zone 4.			2
Full plants	<a href="#">Carex grayi (MACE SEDGE)</a>	4 QT	\$15.00	Distinctive, spiked-globe seed heads in May. Clump-forming glossy foliage. Great for pond edge or moist meadows. Deer resistant. NE US native.			2
Full plants Limited	<a href="#">Carex pellita (Broad-leafed Woolly Sedge)</a> ***	4 QT	\$14.00	Light green leaf blades. 2-3' tall. Attractive throughout the season. Adaptable to wet or dry conditions. Deer resistant. NE US native.			2
Full plants	<a href="#">Carex rosea (ROSY SEDGE)</a>	4" POT	\$6.50	Fine-textured, semi-evergreen foliage in compact clumps. 12" tall. Star shaped seed heads, May-Jun. Drought tolerant. Deer resistant. NE US native.			2
Breaking dormancy POLLINATOR	<a href="#">Ceanothus americanus (NEW JERSEY TEA)</a>	3 QT	\$20.00	Fragrant, frothy white flowers, May-Jul. Low shrub, 2 - 3' tall. Attractive purple-black fruit. Notable tolerance of inhospitable sites. NE US native.			1
Emerging now POLLINATOR	<a href="#">Chelone glabra 'Pink Lips' (PINK TURTLEHEAD)</a> not available	4 QT	\$14.50	Pink turtlehead-shaped flowers, Aug-Sep. Upright clumps, 3' tall. Moist soil tolerant. NE US native. A 2014 Glover Perennials introduction!			2
Emerging now POLLINATOR	<a href="#">Chelone obliqua 'Alba' (TURTLEHEAD)</a>	1 QT	\$9.00	White, turtlehead-shaped flowers, Jul-Sep. 2-3' tall. Moist soil tolerant. Easy care. NE US native.			2
Emerging now POLLINATOR	<a href="#">Chelone obliqua (TURTLEHEAD)</a>	3 QT	\$14.50	Rose-purple, turtlehead-shaped flowers Jul-Sep. 2-3' tall. Moist soil tolerant. Deer resistant. Easy care. NE U.S. native.			2
Leafing out POLLINATOR	<a href="#">Cimicifuga racemosa (BLACK COHOSH)</a>	4 QT	\$17.00	Long wands of creamy white, fragrant flowers, Jul-Aug. Deeply cut dark green foliage, 3-6' tall. Moist soil. Deer resistant. NE US native.			3
Leafing out	<a href="#">Clethra alnifolia 'Maureen Cullinane' (SUMMERSWEET)</a>	6 QT	\$29.00	Sweetly fragrant white flowers, Jul-Aug. Glossy, dark foliage. 5-7' tall. Moist & salt tolerant. Deer resistant. NE US native. LI provenance. Glover introduction!			2
Leafing out POLLINATOR	<a href="#">Clethra alnifolia (SUMMERSWEET)</a>	6 QT	\$29.00	Sweetly fragrant white flowers, Jul-Aug. Dark, glossy green foliage. 5-7' tall. Moist soil tolerant. Deer resistant. NE US native. LI provenance			2
Leafing out	<a href="#">Comptonia peregrina (SWEETFERN)</a>	3 QT	\$23.00	Aromatic leaves. Slow spreading shrub. 2-4' tall. Drought tolerant. Notable tolerance of sandy, sterile soils. Deer resistant. NE US native.			1
Full plants	<a href="#">Deschampsia cespitosa (TUFTED HAIR GRASS)</a>	3 QT	\$14.00	Clump-forming, cool season grass. 2-3' tall. Long lasting, light green seed heads dance in the breeze. Deer resistant. NE US native.			2
Full plants	<a href="#">Equisetum hyemale var. robustum (GIANT HORSE TAIL)</a>	3 QT	\$17.00	Slender, hollow, leafless stems 3-6' tall. Fast spreader. Excellent vertical accent for ponds and wet areas. NE US native.			2
Full plants	<a href="#">Equisetum scirpoides (DWARF SCOURING RUSH)</a>	1 QT	\$10.50	Fine, leafless stems provide nice texture. 4-8" tall. Fast spreader. Doubles as a pond plant and for containers. NE US native.			2
Bud & bloom POLLINATOR	<a href="#">Erigeron pulchellus (ROBIN'S PLANTAIN)</a>	1 QT	\$9.00	White to pale lavender daisies, May-Jun. 12-18" tall. Low groundcover, forms small colonies over time. Deer resistant. NE US native.			1
Emerging now POLLINATOR	<a href="#">Eryngium yuccifolium (RATTLESNAKE MASTER)</a>	3 QT	\$16.00	Greenish-white, thistle flowers, Jul-Sep. 3-4' tall. Sword-shaped, grey-green leaves. Deer resistant. East US native.			1
Leafing out POLLINATOR	<a href="#">Eupatorium hyssopifolium (THOROUGHWORT)</a>	3 QT	\$14.00	Flat-topped clusters of white flowers, Aug-Oct. Fine textured foliage. 2-3' tall. Drought tolerant. Deer resistant. NE US native. LI provenance.			2
Leafing out POLLINATOR	<a href="#">Eupatorium perfoliatum (BONESET)</a> ***	3 QT	\$14.00	White flower clusters, Aug-Sep. 2-4' tall. Interesting wrinkled leaves that wrap around the stem. Moist to wet soil best. Deer resistant. NE US native.			2
Full plants POLLINATOR	<a href="#">Fragaria virginiana 'Intensity' (WILD STRAWBERRY)</a>	1 QT	\$8.00	A larger fruited selection of our native strawberry. Sets fruit until fall. NE US native.	2 or 3		
Full plants	<a href="#">Gaultheria 'Peppermint Pearl' (WINTERGREEN)</a>	1 QT	\$16.00	Glossy, dark evergreen leaves. Large, white, edible fruit in the fall and winter with amazing wintergreen flavor! 3" tall. Deer resistant. Slow spreading groundcover excellent for under trees & shrubs, pathway edger. NE U.S. native species. Zon			3
Short & full	<a href="#">Gaultheria procumbens (WINTERGREEN)</a>	1 QT	\$16.00	Glossy, dark evergreen leaves. Scarlet edible fruit have wintergreen flavor. 3" tall. Slow spreading groundcover. Deer resistant. NE US native.			3
Budded POLLINATOR	<a href="#">Geum triflorum (PRAIRIE SMOKE)</a>	1 QT	\$15.00	Pink flowers, May-Jun, followed by fuzzy pink seed heads! 10-16" tall. Low groundcovering mats of hairy green foliage. Deer resistant. NE US native.			1
Emerging now POLLINATOR	<a href="#">Helianthus divaricatus (WOODLAND SUNFLOWER)</a>	4 QT	\$17.00	Bright gold daisies, Jul-Sep. 3-4' tall. Attracts pollinators, butterflies & seed-eating birds. Useful in rain gardens, swales, meadows. NE US native.			2
Emerging now POLLINATOR	<a href="#">Heliopsis helianthoides (FALSE SUNFLOWER)</a>	1 QT	\$9.00	Warm yellow to gold daisies, Jul-Sep. Forms bushy clumps. 3-5' tall. Great cut flowers. NE US native.	1 or 2		
Emerging now POLLINATOR	<a href="#">Heliopsis helianthoides (FALSE SUNFLOWER)</a>	6 QT	\$20.00	Warm yellow to gold daisies, Jul-Sep. Forms bushy clumps. 3-5' tall. Great cut flowers. NE US native.	1 or 2		
Full plants	<a href="#">Heuchera 'Green Spice' (CORAL BELLS)</a>	3 QT	\$17.00	Vibrant silver and green leaves w/ purple veining. Excellent contrast. 9" tall. Drought tolerant.			3
Breaking dormancy	<a href="#">Ilex verticillata 'Maryland Beauty' (WINTERBERRY)</a>	3 QT	\$20.00	Dense, large bright red berries from fall into winter. Requires a male for berry production. Salt tolerant. NE US native species.			2
Breaking dormancy	<a href="#">Ilex verticillata 'Maryland Beauty' (WINTERBERRY)</a>	6 QT	\$29.00	Dense, large bright red berries from fall into winter. Requires a male for berry production. Salt tolerant. NE US native species.			2

Breaking dormancy	<a href="#"><u>Ilex verticillata 'Southern Gentleman' (MALE WINTERBERRY)</u></a>	6 QT	\$29.00	Male pollinator for the berry producing female varieties. 6-9' tall. Salt tolerant. NE US native.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata 'Winter Gold' (WINTERBERRY)</u></a>	3 QT	\$20.00	Brilliant orange-gold berries late summer, lasting into winter. 6-8' tall. Requires a male pollinator for berries. Salt tolerant. NE U.S. native.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata 'Winter Gold' (WINTERBERRY)</u></a>	6 QT	\$29.00	Brilliant orange-gold berries late summer, lasting into winter. 6-8' tall. Requires a male pollinator for berries. Salt tolerant. NE U.S. native.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata 'Winter Red' (WINTERBERRY)</u></a>	6 QT	\$29.00	Brilliant red berries late summer, lasting into winter. 6 - 8' tall. Requires a male pollinator for berries. Salt tolerant. NE US native.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata - female (WINTERBERRY)</u></a>	3 QT	\$20.00	Long Island provenance female plants. Produces berries with a male plant present. Salt tolerant.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata - female (WINTERBERRY)</u></a>	6 QT	\$29.00	Long Island provenance female plants. Produces berries with a male plant present. Salt tolerant.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata - male (WINTERBERRY)</u></a>	3 QT	\$20.00	Long Island provenance male plants. Pollinator for the berry producing female plants. Salt tolerant.		2
Breaking dormancy	<a href="#"><u>Ilex verticillata - male (WINTERBERRY)</u></a>	6 QT	\$29.00	Long Island provenance male plants. Pollinator for the berry producing female plants. Salt tolerant.		2
Full plants POLLINATOR	<a href="#"><u>Iris 'Gerald Darby' (BLUE FLAG)</u></a>	3 QT	\$17.00	Blue-violet flowers, May-Jun. Leaves flushed with purple in spring. Hybrid of two NE US natives. Moist to wet soil tolerant.		2
Full plants POLLINATOR	<a href="#"><u>Iris prismatica (SLENDER BLUE FLAG)</u></a>	3 QT	\$14.50	Violet flowers, June. 10-14" tall. Distinctive prism-shaped seed pods. NE US native. LI provenance.		2
Full plants POLLINATOR	<a href="#"><u>Iris prismatica (SLENDER BLUE FLAG)</u></a>	4" POT	\$6.50	Violet flowers, June. 10-14" tall. Distinctive prism-shaped seed pods. NE US native. LI provenance.		2
Full plants POLLINATOR	<a href="#"><u>Iris versicolor (BLUE FLAG)</u></a>	3 QT	\$14.50	Blue-violet flowers, Jun. 2-3' tall. Moist to wet soil tolerant. Salt tolerant. NE US native.		2
Full plants POLLINATOR	<a href="#"><u>Iris versicolor (BLUE FLAG)</u></a>	4" POT	\$6.50	Blue-violet flowers, Jun. 2-3' tall. Moist to wet soil tolerant. Salt tolerant. NE US native.		2
Full plants	<a href="#"><u>Juncus effusus 'Goldstrike' (VARIEGATED RUSH)</u></a>	1 QT	\$10.50	Cylindrical leaves with a gold stripe. 2-4' tall. Best in moist soil, can grow water up to 6" deep. NE US native.		2
Full plants	<a href="#"><u>Juncus effusus 'Goldstrike' (VARIEGATED RUSH)</u></a>	4 QT	\$17.00	Cylindrical leaves with a gold stripe. 2-4' tall. Best in moist soil, can grow water up to 6" deep. NE US native.		2
Full plants	<a href="#"><u>Juncus effusus (COMMON RUSH)</u></a>	1 QT	\$9.00	Dark green cylindrical leaves. 2-4" tall. Best is moist soil, can grow in water up to 6" deep. Specimen, ponds. NE US native.		2
Full plants	<a href="#"><u>Juncus greenei (GREENE'S RUSH)</u></a>	3 QT	\$14.00	Dark green, cylindrical leaves. 2' tall. Seed heads, Jul-Aug. Tolerant of dry, sandy sites. NE US native. LI provenance.		2
Emerging now	<a href="#"><u>Leucothoe racemosa (SWEET BELLS)</u></a>	6 QT	\$30.00	Showy, white, bell-like flowers, May-Jun. Shrub, 6 - 8' tall. Excellent red fall foliage. Moist soil tolerant. Deer resistant. NE US native. LI provenance.	2 or 3	
Full plants POLLINATOR	<a href="#"><u>Lonicera sempervirens 'Blanche Sandman' (TRUMPET HONEYSUCKLE)</u></a>	4 QT	\$24.00	Apricot flowers opening to lemon yellow inside, May-Jun, then sporadically until frost. East US native.	1 or 2	
Full plants POLLINATOR	<a href="#"><u>Lonicera sempervirens 'John Clayton' (TRUMPET HONEYSUCKLE)</u></a>	4 QT	\$24.00	Solid yellow flowers, May-frost. East US native.	1 or 2	
Full plants POLLINATOR	<a href="#"><u>Lonicera sempervirens 'Major Wheeler' (TRUMPET HONEYSUCKLE)</u></a>	4 QT	\$24.00	Scarlet red flowers with yellow-orange throats, May-Jun, and sporadically throughout summer. East US native.	1 or 2	
Full plants POLLINATOR	<a href="#"><u>Lonicera sempervirens (TRUMPET HONEYSUCKLE)</u></a>	4 QT	\$24.00	Scarlet red with yellow-orange throat, May-Jun, and sporadically throughout summer. NE US native.	1 or 2	
Full plants POLLINATOR	<a href="#"><u>Lysimachia lanceolata var. purpurea (LANCE-LEAFED LOOSESTRIPE)</u></a>	3 QT	\$14.00	Thin, lance-shaped leaves w/ maroon-red. 1-2' tall and wide. Small yellow star-flowers, Jun-Jul. Tough groundcover. NE US native.	1 or 2	
Emerging now	<a href="#"><u>Lythrum alatum (WINGED LYTHRUM)</u></a>	3 QT	\$14.00	Purple-pink flowers, Jun-Sep. 2-3' tall. Non-invasive. Moist tolerant. Deer resistant. NE US native.		2
Emerging now POLLINATOR	<a href="#"><u>Mimulus ringens (MONKEY-FLOWER)</u></a>	3 QT	\$14.00	Blue-violet flowers, Jul-Sep. 2-3' tall. Useful accent or in masses. Best in moist soil. Deer resistant. NE US native.		2
Full plants POLLINATOR	<a href="#"><u>Monarda 'Mahogany' (BEE BALM)</u></a>	1 QT	\$8.00	Deep fuchsia flowers, Jun-Aug. 3' tall. Aromatic foliage. Mildew resistant. NE US native.		2
Full plants POLLINATOR	<a href="#"><u>Monarda 'Mahogany' (BEE BALM)</u></a>	4 QT	\$8.00	Deep fuchsia flowers, Jun-Aug. 3' tall. Aromatic foliage. Mildew resistant. NE US native.		2
Full plants POLLINATOR	<a href="#"><u>Monarda 'Purple Rooster' (BEE BALM)</u></a>	4 QT	\$14.00	Plum-purple flowers, Jul-Aug. 3' tall. Aromatic foliage. Mildew resistant. Deer resistant. NE US native.		2
Full plants POLLINATOR	<a href="#"><u>Monarda 'Raspberry Wine' (BEE BALM)</u></a>	4 QT	\$14.00	Wine-red flowers, Jul-Aug. 3-4' tall. Aromatic foliage. Mildew resistant. Deer resistant. East US native.		2
Full plants POLLINATOR	<a href="#"><u>Monarda didyma 'Jacob Cline' (BEE BALM)</u></a>	4 QT	\$14.00	Bright red flowers, Jul-Aug. 4-5' tall. Aromatic foliage. Mildew resistant. Deer resistant. East US native.		2
Full plants Limited POLLINATOR	<a href="#"><u>Monarda didyma 'Jacob Cline' (BEE BALM) ***</u></a>	6 QT	\$19.00	Bright red flowers, Jul-Aug. 4-5' tall. Aromatic foliage. Mildew resistant. Deer resistant. East US native.		2
Full plants POLLINATOR	<a href="#"><u>Monarda fistulosa (BEE BALM)</u></a>	4 QT	\$13.00	Violet flowers, Jul-Aug. 3-4' tall. Aromatic foliage. Deer resistant. NE US native.		2
Breaking dormancy	<a href="#"><u>Myrica gale (SWEETGALE)</u></a>	3 QT	\$20.00	Sweetly scented, blue-green, lance-shaped leaves. Attracts birds with its fragrance and fruits. 4.5' tall x 3.5' wide. Salt tolerant. NE US native.		2
Full plants POLLINATOR	<a href="#"><u>Opuntia humifusa (PRICKLY PEAR CACTUS)</u></a>	3 QT	\$14.50	Evergreen succulent pads. 4-8" tall. Yellow flowers, Jun-Jul. Edible fruit. Drought & salt tolerant. Deer resistant. Our only native cactus! LI provenance.		1
Emerging now POLLINATOR	<a href="#"><u>Phlox 'Baby Face' (GARDEN PHLOX)</u></a>	4 QT	\$14.50	Baby pink, fragrant flowers, Jul-Sep. Compact foliage, 24" tall. Excellent cut flower. Mildew resistant. Top rated at Mt. Cuba. NE US native.		1
Full plants POLLINATOR	<a href="#"><u>Phlox paniculata 'Ella Jane' (GARDEN PHLOX)</u></a>	4 QT	\$14.50	Large purple flowers, Jul-Sep. Highly mildew resistant. 42" tall. NE US native. A Glover introduction!		1
Emerging now POLLINATOR	<a href="#"><u>Phlox paniculata 'Nora Leigh' (GARDEN PHLOX)</u></a>	3 QT	\$14.50	Variegated foliage! fresh new crop		1
Emerging now POLLINATOR	<a href="#"><u>Phlox paniculata 'Robert Poore' (GARDEN PHLOX)</u></a>	4 QT	\$14.50	Deep pink flowers, Jul-Sep. Highly fragrant. Mildew resistant. Red-tinged foliage, 4-5' tall.		1

Bud & bloom	<a href="#">Phlox subulata 'Betty' (MINI CREEPING PHLOX)</a>	1 QT	\$20.00	Dwarf creeping phlox, pink flowers, 3" tall. Rock garden plant. Deer resistant. NE US native.				1
Budded	<a href="#">Phlox subulata 'Candy Stripe' (CREEPING PHLOX)</a>	1 QT	\$8.00	White flowers w/ a bold pink stripe, May-Jun. 4-6" tall. Deer resistant. NE US native.				1
Bud & bloom	<a href="#">Phlox subulata 'Emerald Blue' (CREEPING PHLOX)</a>	1 QT	\$8.00	Bold blue flowers. May-Jun. Clean, evergreen foliage. 4-6" tall. Deer resistant. NE US native.				1
Bud & bloom	<a href="#">Phlox subulata 'Fort Hill' (CREEPING PHLOX)</a>	1 QT	\$8.00	Fragrant, deep pink flowers, May-Jun. Clean evergreen foliage. 4-6" tall. Deer resistant. NE US native.				1
Bud & bloom	<a href="#">Phlox subulata 'Purple Beauty' (CREEPING PHLOX)</a>	1 QT	\$8.00	Deep purple flowers, May-June. 4-6" tall. Deer resistant. NE US native.				1
Bud & bloom	<a href="#">Phlox subulata 'Red Wings' (CREEPING PHLOX)</a>	1 QT	\$8.00	Dark red flowers w/ dark red centers, May-Jun. 4-6" tall. Deer resistant. NE US native.				1
Full plants Limited POLLINATOR	<a href="#">Phlox subulata 'Red Wings' (CREEPING PHLOX) ***</a>	3 QT	\$12.00	Dark red flowers w/ dark red centers, May-Jun. 4-6" tall. Deer resistant. NE US native.				1
Full plants Limited	<a href="#">Phlox subulata 'Scarlet Flame' (CREEPING PHLOX)</a>	1 QT	\$8.00	Red-scarlet flowers, May-Jun. Mat forming, 4-6" tall. Deer resistant. NE US native.				1
Full plants Limited POLLINATOR	<a href="#">Phlox subulata 'Scarlet Flame' (CREEPING PHLOX) ***</a>	3 QT	\$12.00	Red-scarlet flowers, May-Jun. Mat forming, 4-6" tall. Deer resistant. NE US native.				1
Emerging now	<a href="#">Physostegia 'Variegata' (OBEDIENT PLANT)</a>	4 QT	\$14.50	Bright white variegated leaves. Pink flower spikes, Aug-Sep. 2-3' tall. NE US native.				2
Short & full	<a href="#">Podophyllum peltatum (MAYAPPLE)</a>	3 QT	\$17.00	Large, deeply lobed leaves. 18" tall. Solitary white flowers, May, followed by an edible yellow fruit. Forms large stands over time. NE US native.				3
Full plants POLLINATOR	<a href="#">Potentilla tridentata 'White Cloud'</a>	2 QT	\$15.00	Forms a low mat of shiny green leaves. White flowers, Jun-Jul. 3-6" tall. Tough, useful groundcover. Deer resistant. NE US native				1
Breaking dormancy	<a href="#">Prunus maritima (BEACH PLUM)</a>	6 QT	\$30.00	Reddish-purple fruit. Great for jam. Round, picturesque shrub. 6-8' tall. White flowers, May. Salt & drought tolerant. Deer resistant. NE US native.				1
Breaking dormancy	<a href="#">Ptelea trifoliata (HOP TREE)</a>	4 QT	\$24.00	A large shrub or small tree, 15-20' tall. Winged fruit once used as a substitute for hops. Moist & drought tolerant. Deer resistant. NE US native.			1, 2 or 3	
Breaking dormancy	<a href="#">Ptelea trifoliata (HOP TREE)</a>	6 QT	\$30.00	A large shrub or small tree, 15-20' tall. Winged fruit once used as a substitute for hops. Moist & drought tolerant. Deer resist. NE US native.			1,2 or 3	
Full plants POLLINATOR	<a href="#">Pycnanthemum muticum (MOUNTAIN MINT)</a>	3 QT	\$13.50	Lilac-pink flowers, Jul-Sep. 3' tall. Mint scented leaves. Produces lots of nectar for wildlife. Deer resistant. NE US native.			1 or 2	
Full plants POLLINATOR	<a href="#">Pycnanthemum virginianum (MOUNTAIN MINT)</a>	4" POT	\$6.50	Pale lavender flowers, Jul-Sep. 3' tall. Mint fragrance. Produces a lot of nectar for wildlife. Deer resistant. NE US native. LI provenance.			1 or 2	
Leafing out POLLINATOR	<a href="#">Rhododendron viscosum (SWAMP AZALEA)</a>	3 QT	\$24.00	White flowers with a sweet, spicy scent, Jun-Jul. Multi-stemmed deciduous shrub. 5-8' tall. Moist soil tolerant. NE US native. LI provenance.			2 or 3	
Leafing out POLLINATOR	<a href="#">Rhododendron viscosum (SWAMP AZALEA)</a>	6 QT	\$30.00	White flowers with a sweet, spicy scent, Jun-Jul. Multi-stemmed deciduous shrub. 5-8' tall. Moist soil tolerant. NE US native. LI provenance.			2 or 3	
Leafing out	<a href="#">Rosa palustris (SWAMP ROSE)</a>	1 QT	\$10.50	Fragrant pink flowers, Jun. Bright red rose hips & red canes persist in winter. 3-6' tall. Moist & salt tolerant. Red fall foliage. NE US native. LI provenance.			2	
Full plants	<a href="#">Rosa palustris (SWAMP ROSE)</a>	6 QT	\$28.00	Fragrant pink flowers, Jun. Bright red rose hips & red canes persist in winter. 3-6' tall. Moist & salt tolerant. Red fall foliage. NE US native. LI provenance.			2
